

April, 2009

Dear Parents,

Over the last several years parents have asked about the availability of before and after school care for children who attend St. John Fisher. Until this year we have not been able to provide this service because of space limitations.

For the 2009-2010 school year we have made some changes to our classroom layout and will have space to accommodate this program. Before we make a definite decision, we need to be sure there are enough families who would be interested.

Our plan would include a morning session from 6:30-7:45a.m. and an afternoon program from 2:15-6:00. Although we will not serve breakfast, children could bring juice and a small breakfast item. After school, children will have a light snack, time to begin homework, some structured activities, and play time. There would be no before or after school care on days when school is not in session or on half days.

Cost for the program will be about \$5.00-\$6.00 an hour. There will be a small discount for second or third children from the same family. Although registration would not require daily attendance, in fairness to the staff in charge, we would need a monthly commitment and monthly pre-payment.

We will pursue the program if we have at least fifteen (15) children (families) who are interested.

Please indicate you interest below and return it to school on or before Friday, May 8th.

Thank You,

Sister Jean
