

May 1, 2009

Dear Parent,

In response to many requests for an extension of our early childhood program, we are delighted to announce the inaugural class of the

## ST. JOHN FISHER KIDDY ACADEMY

This program will provide afternoon sessions on Tuesday and Thursday. The curriculum will be based on timely themes and include stories, songs, arts and crafts, creative play, and even visits to the technology labs. The goal of the program is to encourage each child's social skills and foster cooperative learning.

St. John Fisher's Kiddy Academy is open to all three and four year old pre-schoolers and to children who are enrolled in our half-day kindergarten program. Children who attend our morning pre-school or kindergarten may stay for lunch. Registration is reasonable at \$100.00 month. Because this is a pilot program, fees will be separate from school tuition and will not be billed with the monthly tuition statements. Our expectation is that children would be enrolled for the entire year.

The Academy will open in September if we have sufficient enrollment to justify the expense involved in offering the program. If you have questions, please call me or Ms. Katie or Ms. Linda. Our decision to proceed will be made on May 22.

Please indicate your interest below and return to school at your earliest convenience.

Family Name \_\_\_\_\_ Child's Name \_\_\_\_\_

Grade Level Fall 2009:

½ day kindergarten  3-yr preschool  4-yr preschool

\_\_\_\_\_ Please call me. I would like more information.

\_\_\_\_\_ Sign me up....I want my child/ren to attend the Kiddy Academy  
(Registration is limited and will be accepted on a first come basis.)

\_\_\_\_\_ I am not interested at this time.
