

**NOTICE REGARDING ENTERING
AND DISMISSAL AT SCHOOL**

This year because the preschool will be entering and leaving the building through the west school foyer doors, 2nd grade is changing the location where they have lined up and dismissed in the past.

The new location for entering and leaving the building is:

East School Foyer doors closest to the church.

All 2nd graders will be dismissed from these doors regardless of any other students they are meeting. Please make arrangements to meet 2nd graders only at these doors.

Thank you for your cooperation.
