

Summer at St. John Fisher

St. John Fisher School is offering an early childhood program for the summer. The program is open to all toilet trained children ages 3 - 5 years.

It is a fun experience for little ones and a fun neighborhood tradition 15+ years running! Each week will be based on a theme. We will explore each theme through stories, songs, arts & crafts, and creative play, both indoor and outdoor. The children will be involved in hands-on activities encouraging social skills and cooperative learning. Class size will be limited to ensure your child's safety and enjoyment.

Please send your child with a small snack and a drink.

If you are going out of town on Summer vacation and can't commit to a full session, you may sign up per week.

Summer Workshops

\$30 per Class or \$50 to sign up for the week. Each workshop is 2.5 hours in Ms. Boyce's classroom. The workshops are designed to engage the boys and girls with fun projects, activities and games while brushing up on basics skills taught during the school year

Super Summer Safari (June 13th)

Giraffes, Monkeys and Lions...oh my! Let's learn about a variety of jungle animals and their habitats. We will spend our time learning interesting facts about these animals and completing a few fun projects about them as well! *Reading comprehension, writing, graphing and fine motor skills will be focused on during this workshop.*

Young Authors (June 15th)

Do you love drawing and writing? Then this is a perfect workshop for you! In Young Authors we will learn how to write a story from the “title page” to the “about the author” page. This workshop focuses on writing your very own story with illustrations! We will also test your book character knowledge with some fun trivia games. *Basic sight words, main idea, characters traits and handwriting will be focused on during this workshop.*

Ultimate Art Academy (June 20th)

If you love all things art, then this is the workshop for you! Summer projects will be created with different art supplies such as paint, tissue paper, sequence and more! *Following directions, cutting, coloring and creativity will be focused on during this workshop.*

Under the Sea (June 22nd)

Let’s dive right in and review basic reading, writing and math facts while learning about our favorite ocean animals! Engaging games will be played and exciting projects will be created based on the Under the Sea theme! *Basic addition and subtraction, handwriting, basic phonics and writing will be focused on during this workshop.*

KINDERGARTEN FUN CAMP

It’s time to get ready for kindergarten! While becoming familiar with our school, the children will be introduced to sign language. We use sign language to help the kindergarteners recognize letters and associate letters to sounds. Our new kindergarteners will also take a look at Math “touch points” which is a great tool for learning how to add! There will be free exploration time at various learning centers. Let’s not forget outdoor recess and of course plenty of opportunity to create some beautiful art! Come join in the fun and discover that there is nothing to be nervous about when you enter kindergarten this fall!
