

Dear St. John Fisher Families,
Summer 2017

It is with great excitement that we would like to take a moment to introduce our partnership with St John Fisher and your School Lunch Program! We cherish our relationship with the St. John Fisher community, and we share many friends, and see many of the families quite often in the restaurant. To those of you who haven't been to the restaurant we are thrilled to introduce our family to yours!!

We specialize in cooking homemade, from scratch foods for your children. The lunch we serve to your kids at school will now be made fresh daily!!! Our lunch menus are highlighted by our restaurant quality specials. We focus on using whole, fresh ingredients to create meals that will both excite and satisfy your children. In our kitchens you will see things like fresh produce, unprocessed meats, whole grains, and even our own family made olive oil. We treat your children as we treat our own! As the year progresses, we will be consistently updating the menu and offering new choices and a wide variety, while maintaining the highest quality by using fresh ingredients and home-style recipes.

We hope to make ordering hot lunch for your family as easy as possible. To order, simply visit sjfschool.net/hotlunch to access the online order form. Select the days you would like for your child to receive lunch and submit. As you order, please be sure to keep count of how many lunches you have purchased. If you forget how many lunches you ordered, check your provided email for a receipt with all of the selections you have chosen. Once you have completed **a separate order for each of your children**, visit the payment link on the Hot Lunch webpage to submit your payment electronically. Lunch orders and payment must be submitted by the **third Friday** of each month.

For August and September we are opening shorter ordering windows so that you can test our new service and see how it meets your family's needs. We are confident the students will love the food.

- Window One: August 28 – September 15 (please submit orders by August 21st)
- Window Two: September 18 – September 29 (please submit orders by September 11th)
- In October we will offer the option to purchase lunch for the entire month (due Sept. 22nd)

Thank you all for the trust that you have put in us to feed your children—it is an endeavor in which we take great pride! As such, we continually strive to improve our service. We value your suggestions and comments and we are always available and happy to work together. Please feel free to call us, email (gilhooleys@sxu.edu) us or come by the restaurant any time and let us know how we are doing.

Sincerely,

Gilhooley's School Lunch Program at St. John Fisher
