

Summer at St. John Fisher 2018

St. John Fisher is offering camps for our youngest falcons.

Preschool Little Explorers Camp

St. John Fisher School is offering an early childhood program for the summer. The program is open to all toilet trained children ages 3 - 5 years.

It is a fun experience for little ones and a fun neighborhood tradition 15+ years running! Each week will be based on a theme. We will explore each theme through stories, songs, arts & crafts, and creative play, both indoor and outdoor. The children will be involved in hands-on activities encouraging social skills and cooperative learning. Class size will be limited to ensure your child's safety and enjoyment.

Please send your child with a small snack and a drink.

If you are going out of town on Summer vacation and can't commit to a full session, you may sign up per week.

First & Second Grade Summer Workshops

For information about the 1st & 2nd grade summer workshops email mfahey@sjfschool.net

Super Summer Safari (June 12th)

Monkeys, Giraffes, and Lions...Oh my! Let's learn about a variety of jungle animals and their habitats. We will use our time to learn interesting facts about these animals and completing a few fun projects about them as well. Reading comprehension, writing, graphing and fine motor skills will be focused on during this workshop.

Sports Fan Fanatics (June 13th)

If you love all things sports, this camp is for you! During this program we will be doing both indoor and outdoor activities. We will talk and read about our favorite sports teams and players and how each of us can be both a great teammate and a team player. We will also be playing a variety of sports outside. This camp is a great way for the boys and girls to learn about good sportsmanship! Reading comprehension and gross motor skills will be the main focus of this workshop.

MARVELous Super Heroes (June 19th)

This camp is for all of our INCREDIBLE kids out there! We will read about and discuss all things super heroes, including what makes a super hero so super and the different character traits that our favorite super heroes have. We will also do a few fun super hero projects. Basic sight words, character traits, handwriting, main idea and creativity will be focused on during this workshop.

Under the Sea (June 20th)

Let's dive right in and review basic reading, writing, and math facts while learning about our favorite ocean animals! Engaging games will be played and exciting projects will be created based on the Under the Sea theme! Basic addition and subtraction, handwriting, basic phonics and writing will be focused on during this workshop.

KINDERGARTEN FUN CAMP

For information email kfadden@sjschool.net

It's time to get ready for Kindergarten! While becoming familiar with our school and making lots of new friends, the children will have a blast playing games and participating in learning centers that work on fundamental Kindergarten skills. We will also review and work on these important concepts through songs, stories, arts and crafts, and of course - outdoor fun!

Come join in the excitement and discover that there is nothing to be nervous about when you enter Kindergarten this fall!

First and Second Grade SKILLS CAMP

For information email mfahey@sjschool.net

During this camp, we will work together to get back into the swing of things a few weeks before the new school year begins. This program will provide a review of previously covered material and a jump-start on the upcoming school year in Reading and Math. Reading focus will include development of vocabulary and reading comprehension. Math will focus on grade appropriate topics such as number recognition, number comparison, computation, addition and subtraction facts, words problems, and measurement. For both Reading and Math concepts, technology will be incorporated to enhance learning by the use of I-pads and the computer labs.
