ST. JOHN FISHER SCHOOL

APRIL 4, 2025

Dear SJF Families,

We have WONDERful things going on in our school! If you haven't yet, please register to join us for our 3rd Annual Family Fun Night which is this Thursday, April 10th! Enjoy a night of crafts and games with your children led by our faculty and student leaders; the Easter Bunny is even going to join us! See the flyer below for more information.

We are so proud of our Newspaper Club! 33 of our Falcons in 3rd - 6th grade created the first edition of the Falcon Flyer. [Visit this link](#) to read it digitally, or reach out to your child's homeroom teacher if you would like a printed copy for \$1. Thank you to Mrs. Argyropoulos, Mrs. Regnier, Ms. Hladik, and Ms. Dunlavy for working with our students; it is so well done!

Spring Break is on the horizon along with First Holy Communion, May Crowning, and Graduation, just to name a few. The months of April and May are sure to fly by! Take every free minute you can to stop and smell the blooming spring flowers and enjoy some precious time with your children. You won't regret it!

Thank you for continuing to choose Catholic education, especially St. John Fisher. Thank you for entrusting your most precious gifts to us each and every day. We truly are LUCKY to be FALCONS! You belong here. 

In unity and hope,

-Mrs. Maura Nash

OUR FALCONS ARE BRAVE, STRONG, IMPORTANT, SMART, KIND AND LOVED.

School Advisory Board

Every Spring, we begin the process to meet new parents and parishioners to discuss joining the School Advisory Board. We appreciate you considering sharing your skills and talents with us to support the School's Goals. The minimum time commitment is about 2 hours per month including a monthly meeting and follow-up committee work. There is additional information on our structure and goals under "Organizations" tab of the school website. Typically, the selection process includes an interview with current and past board members in early summer. We aim to select new board members by August to enable a strong start for the new school year. Please email sjfsab@gmail.com with any questions. You can submit a resume to that email if you would like in addition the the application [linked here](#) although it IS NOT required. Thanks!

Together let's build a school that we love.

Do you ever wonder what our morning Zoom announcements are like?
 Now you can see them for yourself!

Dear SJF Families,

Several cases of lice have been reported to our school office. Please do not be alarmed, as this is a common occurrence in schools. Head lice are not a sign of unclean people or unclean homes!

Please take these precautions:

- 1) Check your child's hair for eggs (nits).
- 2) If you suspect your child has head lice, seek appropriate treatment (which includes thorough cleaning of bedding, clothing, coats, etc.). Chicago Lice Removal is a local, St. John Fisher family owned business that can be a helpful resource with this process, 708.966.3028.
- 3) Call the School Office to report the case. All calls are kept confidential! It is also recommended that you notify close contacts in order to control an outbreak.
- 4) If head lice are found, do not send your child to school until he/she has been treated and all the nits have been removed. We have a **No Nit Policy**, meaning all eggs must be removed before returning to school.

Educating your child(ren) about how lice are spread from one child to another may prevent infestation. Children should be advised not to share combs, brushes or hats. Home head lice checks should be a part of routine personal hygiene and are recommended to identify early, easily treatable infestation. **Please give the needed time and attention tonight to check the head(s) of your child(ren).**

Feel free to contact us with any questions.

Why Play?

At SJF, we value intellectual, academic, social & emotional growth. Through play, children are able to develop these skills while building relationships within their community.

Social & Emotional Learning

At SJF we continue to build upon our SEL goals. Each month of the school year will have an all-school focus on the trait of the month, helping students strengthen particular social skills with different lessons and activities at the classroom level and as an entire school. We encourage you to talk to your children about these traits at home for a consistent message and focus. The trait of the month program is building upon this year's behavior system and school mantra:

Be Respectful, Be Responsible, Be Safe.

September	Responsibility
October	Respect
November	Gratitude
December	Kindness
January	Integrity
February	Friendship
March	Perseverance
April	Empathy
May	Optimism

**Be Respectful, Responsible & Safe.
Be a Falcon.**
