

Notes from Mrs. Nash

Embracing curious minds. Nurturing compassionate hearts

St. John Fisher School – Together, we've got this!

April 30, 2021

Dear SJF Families,

We have so much to be grateful for as a school community. I cannot believe that tomorrow is May 1st! We are in the home stretch of this unprecedented school year. I am so proud of all of us and thankful to be a part of this caring, supportive and resilient community. Stay tuned for a letter next week discussing our budget, tuition and fee structure for the 2021-2022 school year and a glimpse into the improvements we are making for our bright future.

Please join me in praying for our spirited second graders, their families and their teachers as they prepare to make their First Holy Communion tomorrow. Each cohort will have their own mass at 10, 12 and 2. Thank you for sharing in this excitement! Each year, under the guidance of Dr. Chermak, our second graders learn and recite this prayer that I would like to share with you: "May the Lord always bless you and keep you. May his face always shine upon you. May you know his compassion and mercy. May the Lord walk beside you forever."

Thank you for your commitment to Catholic education, but specifically St. John Fisher School. We are so grateful for each and every one of you! I continue to pray for the resiliency and well-being of all of our students and families.

In unity and hope,

-Mrs. Maura Nash

COVID Reminders

Dear SJF Families,

Unfortunately, SJF has experienced a recent increase of COVID-19 cases. We continue to pray for the health, well-being and resiliency of our students and families! I would like to take this opportunity to remind our families of the guidelines and protocols put in place to help keep our students safe and our doors open. We have all experienced a great deal of frustration and inconvenience as it relates to this pandemic. But as a community, we need to remain cautious so that *together* we can end the year strong! I know this isn't easy, but we remain grateful for your understanding and partnership during this challenging and unprecedented time.

- If anyone in your household is experiencing a COVID symptom ([listed here](#)), please keep your child(ren) home until you can rule out that it is not COVID.
- If anyone in your household is planning to get tested or gets tested, please keep your child(ren) home until you receive the results of your test. If the household member took both a rapid and a PCR test, **please keep your child(ren) home until you receive the results from the PCR test.**

Hang in there everyone. We are all in this together!

FALCON OF THE WEEK

Holly Mueller, 3rd Grade

This year, our school theme is "Fly Like a Falcon." Falcons SOAR above, capturing an aerial view of what is going on below. We are encouraging our school community to "SOAR above" things that might bring us down, not allowing us to be our best selves. We are on a school-wide crusade to "Fly Like a Falcon", lifting one another up, celebrating the positive interactions and kind behavior that our students and staff demonstrate each and every day. **This week we recognize third grader, Holly Mueller.**

The FSA has been organizing COVID-safe fundraisers, like the S & T vouchers, throughout the year to benefit our school in different ways. With the money raised from the most recent voucher incentive, the FSA generously and thoughtfully donated new recess equipment for every grade! So, thank you for your support of this program! Obviously, going outside is a real treat and the highlight of the day as the kids can take a mask break and run around after having to remain in the same seats all day. During recess last week, one of the dodge balls that Holly was playing with popped. Holly felt so sad about the new equipment breaking on her watch that she used her own allowance money to replace it. Holly also called a member of the FSA to report the accident and assure her that she would take care of it. Holly, you are as equally responsible and honest as you are kind, funny and smart. Thank you, Holly, for going ABOVE AND BEYOND! You are steadfast in your desire to always be honest and do the right thing. You are a remarkable example to all of us and we are proud that you are a Falcon! You are brave. You are honest. You are unique. You are making a difference!
