St. John Fisher School – Together, we've got this!

May 14, 2021

Dear SJF Families,

We are entering into the final stage of the school year. As much as it feels like at times this year was moving at a snail's pace, I now find myself saying, "I can't believe it's May"! The remaining weeks of school are action packed. I still am in awe of the incredible things our students and faculty have accomplished during a pandemic school year. Nonetheless, there is still work to be done and these next few weeks are critical to moving up a letter grade, mastering a skill, etc. Please join us in encouraging your student(s) to put forth their maximum effort and finish strong! Together, we've got this!

Thank you for your continued support of Catholic education, but specifically St. John Fisher School. Have a wonderful weekend!

In unity and hope,

*-Mrs. Maura Nash*

### iReady Update

- This week and next week students will complete the **third and final iReady diagnostic assessment**. As you likely remember, iReady diagnostics allow us to monitor the progress and growth of each individual student. The data the assessment yields has been and will be utilized by teachers to inform large group instruction, define small group instruction and assist in differentiation. Additionally, iReady data indicates the grade level at which a student is performing, as it compares to national norms and standards. Testing will be complete, schoolwide, May 21<sup>st</sup>; you can expect to receive your child(ren)'s score reports in the weeks following. If you have any questions or concerns regarding iReady testing, score reporting or student testing performance please contact Mrs. Nichole Carey at [ncarey@sjfschool.us](mailto:ncarey@sjfschool.us).

### MANNA News

- Thank you for your participation in this important school fundraiser. You have made a difference!
- The Manna Fundraising Requirement (\$300/family) was added in the FACTS system. All families will see a \$300 charge and then it will be adjusted based on the amount earned for the school up until April 30<sup>th</sup>, 2021.
  - For example, families that met the \$300 fundraising requirement, will see two notifications (\$300 fee – 300 adjustment = no charge). The individual earnings achieved will be reflected on your FACTS statement on book day in August. For the family in the above example that achieved the \$300 goal, they will get a \$450 deduction off tuition for the following year.
- You can start accruing for next year's Manna Fundraising requirement as of May 1<sup>st</sup>.

### COVID Reminders

As a reminder...

- If anyone in your household is experiencing a COVID symptom ([listed here](#)), please keep your child(ren) home until you can rule out that it is not COVID.
- If anyone in your household is planning to get tested or gets tested, please keep your child(ren) home until you receive the results of your test. If the household member took both a rapid and a PCR test, **please keep your child(ren) home until you receive the results from the PCR test.**

Hang in there everyone. We are all in this together!

## School Advisory Board Update

- This past Tuesday marked the last formal meeting of the school year for the SAB. Three instrumental school board members are rolling off this year. I would like to take the time to thank Kathleen Girzadas, Sara McGann and Joan Rogers for all of the time, effort, commitment and love they generously donated to St. John Fisher for so many years. They have always had SJF's best interest at heart and prioritized our community to help us make improvements to enhance our school and secure our future. I personally have learned so much from each one of these impressive women and I thank them for sharing their perspective and for supporting and motivating me along the way. You will be missed!

## 2021-2022 Abbreviated Calendar

# FALCON OF THE WEEK

Ava Kintz, 5th Grade

This year, our school theme is "Fly Like a Falcon." Falcons SOAR above, capturing an aerial view of what is going on below. We are encouraging our school community to "SOAR above" things that might bring us down, not allowing us to be our best selves. We are on a school-wide crusade to "Fly Like a Falcon", lifting one another up, celebrating the positive interactions and kind behavior that our students and staff demonstrate each and every day. **This week we recognize fifth grader, Ava Kintz.**

As many of you are aware, Ms. Dunlavy, our 5th grade ELA teacher was recently diagnosed with Breast Cancer. This shocking news was obviously so difficult to digest not only for Ms. Dunlavy, but for all of those who love her. Learning of this news really impacted her students. As a group, the fifth graders wanted to show their sign of love and support. One idea that the group of students had was to dye a section of their hair pink as an outward symbol of solidarity and support. This of course goes against the dress code policy in our student handbook. However, Ava stepped up as the leader of the group and took the time to write me a very impressive persuasive letter, requesting this temporary change in our handbook policy for this important cause. After reading Ava's letter, I was compelled to honor their request. Ava, you are equally as compassionate and empathetic as you are a talented writer. You are a student leader. You embody all of the qualities that we hope our Fisher Falcons possess. Thank you for standing up for what you believe in and for being a loving example to us all. Keep flying like a Falcon, Ava. You are making a difference!
