Embracing curious minds. Nurturing compassionate hearts

St. John Fisher School – Together, we've got this!

May 7, 2021

Dear SJF Families,

I hope you were able to view SJF's beautiful May Crowning Ceremony lead and organized by our wonderful 8th graders, Fr. Ken, Dr. Chermak, Ms. Browne, Mrs. Condon and Mrs. G. We are so grateful for all of our opportunities to celebrate and share in our faith experiences together. I would like to take this opportunity to thank our truly incredible and talented Director of Religious Education, Dr. Elena Chermak. Last week's First Holy Communion was spectacular. Dr. Chermak had many obstacles to work around during this COVID year. We are thankful for her creativity, grace, dedication and commitment to making every celebration and mass feel special and unique every single time. We are blessed and fortunate to have Dr. Chermak at our school and parish!

As this week is Teacher Appreciation Week, I would also like to give a "shout-out" to our amazing faculty. It is because of this talented and dedicated group that our school is so successful and our children are prepared for their futures. We thank our teachers for loving their students as if they were their own and for going above and beyond each year, but especially during this unprecedented time. Quite simply, they are the best! We also pause to recognize and appreciate the FSA and all of our loving parent supporters for making this week so amazing.

Working together and supporting one another is what our school is all about. "I can do things you cannot. You can do things I cannot. Together we can do great things." ~ *Mother Teresa* Thank you for making St. John Fisher GREAT! We appreciate each and every one of you!

Finally, Happy Mother's Day to the amazing mothers in our community! Your sacrifice, love for and influence on your child(ren) is beyond measure! I hope you have an amazing weekend; no one is more deserving!

In unity and hope,

-Mrs. Maura Nash

iReady Update

- Beginning next week students will complete the **third and final iReady diagnostic assessment**. As you likely remember, iReady diagnostics allow us to monitor the progress and growth of each individual student. The data the assessment yields has been and will be utilized by teachers to inform large group instruction, define small group instruction and assist in differentiation. Additionally, iReady data indicates the grade level at which a student is performing, as it compares to national norms and standards. Testing will be complete, schoolwide, May 21st; you can expect to receive your child(ren)'s score reports in the weeks following. If you have any questions or concerns regarding iReady testing, score reporting or student testing performance please contact Mrs. Nichole Carey at ncarey@sjfschool.us.

MANNA News

- The Manna Fundraising Requirement (\$300/family) was added in the FACTS system. All families will see a \$300 charge and then it will be adjusted based on the amount earned for the school up until April 30th, 2021.
 - For example, families that met the \$300 fundraising requirement, will see two notifications (\$300 fee – 300 adjustment = no charge). The individual earnings achieved will be reflected on your FACTS statement on book day in August. For the family in the above example that achieved the \$300 goal, they will get a \$450 deduction off tuition for the following year.
- You can start accruing for next year's Manna Fundraising requirement as of May 1st. If you decided not to participate this year but would like to reduce the \$300 fundraising fee through everyday shopping. Check out resources [here](#) to get started. We will share some stats on the impact of the program in an upcoming newsletter. Also, Whole Foods Market (eCertificates) is now available on the Raise Right App. Thank you!

COVID Reminders

Unfortunately, SJF has experienced a recent increase of COVID-19 cases. We continue to pray for the health, well-being and resiliency of our students and families! I would like to take this opportunity to remind our families of the guidelines and protocols put in place to help keep our students safe and our doors open. We have all experienced a great deal of frustration and inconvenience as it relates to this pandemic. But as a community, we need to remain cautious so that *together* we can end the year strong! I know this isn't easy, but we remain grateful for your understanding and partnership during this challenging and unprecedented time.

- If anyone in your household is experiencing a COVID symptom ([listed here](#)), please keep your child(ren) home until you can rule out that it is not COVID.
- If anyone in your household is planning to get tested or gets tested, please keep your child(ren) home until you receive the results of your test. If the household member took both a rapid and a PCR test, **please keep your child(ren) home until you receive the results from the PCR test.**

Hang in there everyone. We are all in this together!
