SJF WELCOMES NEW HIRES!

My name is Emily Sullivan and I am more than excited to be teaching 1st grade this year! I have lived in the parish all my life and come from a family of Falcons! Some of my favorite memories have come from walking the halls at SJF. I still remember my first day of first grade and the joy I felt meeting my new friends and teacher. After attending SJF, I graduated from Mother McAuley and St. Xavier University. I am looking forward to a fantastic year and experiencing my first day of first grade all over again!

My name is Katie Ball and I am so excited to be joining the St. John Fisher Team this year! I was a teacher for 13 years before becoming a stay-at-home mom, and I can't think of a better place to come back to teaching than SJF. I have 2nd grade and 4th grade Fisher Falcons of my own and we are really looking forward to starting this new school year out together!

My name is Colleen Dunlavy. I am excited about joining the 5th grade team as the ELA Teacher this year. Prior to coming to SJF, I have spent the last 20 years working on individualizing curriculum through tutoring, test prep and coaching. I graduated from Marian Catholic HS and then earned my teaching degree from Bradley University. Soon after, I completed my Masters Degree in Curriculum and Instruction from National Louis University. My favorite thing about SJF so far is the warm and friendly staff. I cannot wait to meet my students!

My name is Nicholas Kutsulis and I am so excited to be teaching 7th & 8th grade Global Studies this year. Although this is my first year as a full-time teacher, I have had plenty of time in the classroom as a student and spent this past year as a substitute teacher and coach at Providence Catholic HS preparing for this opportunity. I graduated from Providence Catholic HS where I was able to experience the value of a good and demanding Catholic education and Concordia University in Wisconsin where I also played baseball. I am currently enrolled at St. Xavier University working on my Masters degree and bettering myself as a teacher.

My name is Kristy Condon. I come to you from Most Holy Redeemer School where I taught grades 6-8 ELA for the past 7 years. Before working at MHR, I taught grades 6-8 at Immaculate Conception School for 4 years. I live in St. Catherine's Parish in Oak Lawn where all three of my children graduated. My son Payton went to St. Rita and attends Villanova University. My daughter Nikki graduated from Mother McAuley and attends St. Norbert College. My youngest daughter Genevieve is a freshman at McAuley. My family is rooted in Catholic education! I am very excited to share my love of reading and writing with the 8th graders at SJF and thrilled to be on this new journey!
