Dear Second Grade Parent,

We are excited to invite the second graders to participate in the **Christmas Eve procession and gospel re-enactment for the parish 4:00 Christmas Eve mass**. The children's procession and presentation of the gospel story is always a beautiful experience and adds to the joy of the celebration.

This mass is very crowded. If you have other plans for your Christmas mass please do not change your plans. If, however, your child is available we would welcome his or her participation.

The children should arrive 30 minutes early at 3:30 p.m. on Christmas Eve and meet in the second grade classroom off of the main church foyer - in room 112. We ask the children to wear their "Sunday best."

Please return this form by Tuesday, December 5, 2017 to school so we will know who is available. Thank you for your help.

Sincerely,
Ms. Chermak
