

Incoming First Grade Summer Skills Work

Dear Families,

The following are some skills that your child needs to work on over the summer to help him/her transition smoothly into first grade. This work does not need to be returned, BUT REALLY does need to be done.

Mondays: Ten addition problems w/ sums of 0-20

Tuesdays: Write 5 sentences: 2 statements, 2 questions, 1 exclamatory. Sound out and spell words on your own.

Wednesdays: Ten subtraction problems using numerals 0-20

Thursdays: Letter/Sound & Word Wall Word review: The word wall word list can be found on Kindergarten teacher's blogs

Fridays: Read a book aloud to someone in your family
