

First Grade Field Trip

We will be taking a field trip to THE CHILDREN'S FARM at THE CENTER, 12700 Southwest Highway, Palos Park on Tuesday, October 16th.

The children will be experiencing a real working farm. They will see first hand all of the different types of farm animals and how they live, what they eat, how they feel, and what they sound like. They will also discover what food the farm produces and how it is harvested and stored. They will be able to go on a hayrack ride and the end and select a pumpkin to bring home. We will eat our lunch at the farm.
