The St. John Fisher Athletic Association with the approval of the Athletic Director names the winner.

Section 7.5 - "PLAYING TIME" GUIDELINES

Per Archdiocese policy, "winning at all costs" will not be tolerated. The opportunity to participate in sports with meaningful playing time is essential to childhood development, confidence building, and overall athletic development. The guidelines listed below apply to eligible athletes.

A. 4th and 5th Grade

1. Teams are split equally. Focus at this level is on development and not winning, every player at the 4th and 5th Grade level who meets their academic and athletic responsibilities, as outlined in the school's student-athlete code of conduct, must get an equal opportunity to play.
2. Coaches can play to win playoffs and championship games. However, **EVERY player must have playing time in EVERY game.**

B. 6th, 7th, and 8th Grade

1. Most teams will be competing in two leagues. Coaches are encouraged to play to win the Southside Catholic Conference.
2. Coaches should make up for lack of a player's playing time in the second league.
3. Playing time at this level is based on a player's ability, effort, attendance at practices, and commitment to the team. Not everyone will play equal. However, playing time is expected in EVERY game, **including playoffs and championship games.**
4. Playing time rules are the same for A & B teams.

C. 4th - 8th Grades

Missing practice without cause or excessive absences can result in reduced playing time. Playing time may also be reduced as a disciplinary action. It is at the discretion of the coach to determine what action requires discipline unless discussed otherwise in the SJF School handbook.

Section 7.6 - FEES AND FINANCES

- A. The St. John Fisher Athletic Association is a self-sustaining organization. The participation fees, concession stand proceeds and the profits from fundraising fund our Athletic Program. Participation fees do not cover the entire cost of each participant. The yearly budget includes maintaining and purchasing equipment, uniforms, supplies, officiating costs, and league and tournament fees.
- B. The Treasurer will develop a yearly budget in conjunction with the Athletic Director and all the Sports Coordinators, based on the sport's needs for the coming year.
- C. Each sport carries a participation fee. This fee will be collected at the time of sign-up. A uniform deposit may also be due at sign-up in those instances when the Board supplies the uniform and/or equipment.

- D. For all sports that utilize our gym, an adult member (*over the age of 18*) of each participant's family will be required to serve a minimum of two, one-hour shifts. Jobs will include admissions, concessions, crowd control, or help with set-up and cleanup. The Volunteer Coordinator will send out a schedule prior to each sports season.
- E. It is essential that participants register on the scheduled registration date, so that the proper number of teams can be entered in the respective leagues and conferences. The Board with the Athletic Director's approval, reserves the right to refuse participation to a student who fails to follow this policy.
- F. A student will not be allowed to play if the participation fee and when applicable the uniform deposit is not paid. Provisions are available for the children of families unable to afford fees.
- G. There will be a \$25 fee for checks returned for non-sufficient funds.
- H. Refunds will only be allowed if a player quits prior to the selection of teams in basketball or volleyball or before the third week of football practice. The Athletic Director will consider any extenuating situations or financial hardships.

When employees or volunteers accept a position in the Catholic School system, they are expected to complete the list of all the tasks/trainings outlined in this link http://archchicago.org/departments/safe_environment/compliance.shtm. All coaches must be completely up to date with Protecting God's Children Policy by day 1 of practice.

CONCLUSION

Interscholastic athletics have a vital place in the total educational program when they are effectively planned, organized, administered, supervised, and evaluated. Through school athletics, many of the interests and needs of young people can be served better than through any other channel. The bylaws outlined in this handbook were originated, compiled, and revised over the years by numerous volunteer parents and parishioners and are structured in accordance with the Archdiocese of Chicago Catholic Schools Handbook for Athletics. It is expected, without an option, that the St. John Fisher Athletic Association follow the "rules of the game" as they are outlined in the Archdiocese Handbook. If an issue arises that is not specifically covered by these bylaws or a bylaw is interpreted differently than intended, the SJF Athletic Director will determine the appropriate outcome in the spirit of the Archdiocesan guidelines as well as what is on the best interests of the overall St. John Fisher athletic program.
