

For Students Entering Fourth Grade

Spend your summer with great books and fun activities!

Assignment: Read at least 3 books and complete 1 of the suggested activities.

Choose books from the following categories, try to mix it up and read different genres.

- Biography or Autobiography
- Non-fiction
- Historical Fiction
- Mystery
- Adventure
- Fantasy

Optional Challenges!

*Read 10 books this summer!!!

*When you are finished reading a book, take an Accelerated Reader! (You will have access to your AR accounts all summer long!)

For more information and book suggestions, visit our virtual library:

For your summer reading assignment, *pick one* of the following activities (or do them all!)

You are the author, illustrator and creator of a book! What will it be about?
Here are some book making tutorials, you write the story to go inside.

Write someone a letter! Everyone likes to get mail, when was the last time you got a letter? The written word is a powerful tool! Write a letter to someone you love to tell them you care, to a friend to ask how they are doing or what's up, one of your teachers to see how their summer is going, or - use the power of words and write to a politician to change a law that you don't agree with!
